

SPECIAL ANNOUNCEMENT: Rescheduling of the Friday, January 29 Provider Council

Two factors have led the Area Authority to reschedule this week's Provider Council meeting. Weather projections call for the strong probability of a wintry mix on Friday leading to questionable driving conditions. We have already received some provider calls indicating their likelihood of not attending the meeting. Additionally, in the early implementation of the new Cardinal Innovations IT system and new forms, there are advantages to delaying the meeting for a week to make additional adjustments and pilot specific provider training. A more complete and updated body of information will then be available to providers. As a result, the Provider Council meeting is rescheduled to: **Friday, February 5, from 1-2:30 PM. The Council will meet in the Farm Bureau Conference Room at the H. Leslie Perry Memorial Library in Henderson.** Thank you for accommodating these adjustments and planning your calendar accordingly.
